PRESIDENT'S MESSAGE

The Mississippi Unit is on the move!!! Don Hummel is organizing a caravan to Sugarcreek!!!! This is an invitation to all Mississippi Unit members to join a Caravan to Sugarcreek, Ohio, to participate in the Swiss Festival National Rally. It is very highly regarded by all who have been there.

For rally information go on line to www.swiss-festival-national-rally.net. It is preferable to print the registration form on line; however, the form can also be found in the Blue Beret. Rally cost is $225 for 2 adults. It must be mailed in with payment.

Rally dates are Sept. 22-30. Tentative plans are that we will meet somewhere at an RV Park in north Mississippi on Tuesday, Sept 18th, then travel 750 miles in 3 days, arriving on Sept. 21st.

We must have a minimum of 5 units to qualify as a caravan and get early entry free. We are working with the Louisiana Unit who is also trying to make up a caravan. If either unit has fewer than 5, we will combine to make one MS/LA Caravan. Contact Don Hummel if you wish to join. Email: donhummel@bellsouth.net; cell 662-392-6065.

We are planning our Spring Rally at E Z Daze RV Park in Southaven, MS. Please see the schedule in this newsletter. It promises to be a great time.

Happy travels,

George and Ruth

Unit News

On Tuesday, April 10th, the Jackson Area Airstream members met for lunch at McClain's in Brandon, a nice new place with a farmers' market, hunting gear and two restaurants. We recommend it. We had a fun time there, then went to the McKees' for dessert!!! In attendance were the McKees, Blantons, Hummels, Presleys and Roberts. We will plan other lunches in the future. Watch for email notices.

GOOD FOR THE ORDER

Compliments of J. C. Prather:

The fattest knight at the Round Table was Sir Cumference. He acquired his size from too much pi.

Time flies like an arrow. Fruit flies like a banana.

Atheism is a non-prophet organization.

Two hats were hanging on a rack in the hallway. One hat said to the other, "You stay here. I'll go on a head."

A rubber band pistol was confiscated from algebra class. It was a weapon of math disruption.
